Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450****Dear Sir:****FIRST RESPONSIVE AMENDMENT**

This is responsive to the official Patent Office Communication of 2-10-05,
rejecting all remaining claims 36-75 under section 101.

Claim 1 is cancelled, without prejudice, responsive to the restriction requirement.

The examiner noted within the body of the action that there was a one-month time period for reply. Accordingly, please consider this a request for a one-month extension of time to make this response timely. Note however that the cover page indicated a three-month reply period, and that this apparent extension of time should be honored without requirement for payment, as the action was docketed for a three month reply based on the cover page.

Please charge any additional fees required to maintain pendency of this application or credit any overpayment to Deposit Account No. 19-3790.

A listing of claims follows on the next page, and remarks with discussion of the amendment and rejection are on subsequent pages.
